

EXPANDA™ Dust 0.6g - \$ 24.00

VOLUMIZING POWDER

It's magic! With just a puff you can get more volume and texture than you've ever imagined! You'll never go flat again!

- Instant volume and texture
- Translucent, colorless and odorless in hair
- Perfect primer for dressing hair

FOR BEST RESULTS: Lightly sprinkle on to roots and massage into scalp for instant root volume. Sprinkle throughout hair for added overall texture. Be careful, a little dust goes a long way!

SECOND Day™ 2oz - \$ 23.00

FINISHING CREAM

You want your hair to look as good today as it will tomorrow? Confused? Using SECOND Day will give a lived in, earthy texture you can wear right now.

- Weightless finishing cream
- Creates a natural worn texture
- Thermal protector

FOR BEST RESULTS: Rub SECOND Day between your palms and work through dry hair. The more liberally you apply SECOND Day the more you cheat time itself.

TEXTURIZA™ Spray 7oz - \$ 29.00

DRY FINISHING

Texture. Volume. Fullness. This dry, translucent finishing spray will create unbelievable volume and texture in your hair that will last all day and into the night. We hope you aren't afraid of heights!

- Adds texture, volume and fullness
- Medium, workable hold
- Dry texturizing spray

FOR BEST RESULTS: Shake well. Hold can 8 to 10 inches away and spray onto dry hair in areas where you want volume and texture to finish your hair. The more you use the more you build!

TRICKY™ Spray 3.75oz - \$ 27.00

FINISHING WAX

Total magic! Empowering you with the shine, hold and manipulation that would have made Houdini want to be a hairdresser. So much in one product. Use responsibly!

- Spray wax and hairspray blend
- Adds texture and separation
- Creates hold you can manipulate
- For medium to thick hair
- Thermal protector

FOR BEST RESULTS: Apply to dry hair. Spray 6 to 8 inches away from hair. You can use it all over or in desired areas to emphasize texture.

TRICKY™ Lite 3.75oz - \$ 27.00

FINISHING WAX

Now you can have shine and hold all in one. A lightweight powerhouse. TRICKY Lite keeps hair weightless and beautiful.

A little wax, a little hold and lots of shine!

- Half the wax of TRICKY™ Spray
- Lightweight
- Creates hold you can manipulate
- For fine to medium hair
- Thermal protector

FOR BEST RESULTS: Apply to dry hair. Spray 6 to 8 inches away from hair. You can use it all over or in desired areas to emphasize texture.

MAXCONTROL™ Spray 10oz - \$ 26.00

STRONG HOLD

Freeze-frame the shape and style you want or spot spray as you wish. It's a great feeling knowing you can defy gravity and still have total control. A perfect dry setting spray.

- Workable, brushable hairspray
- Excellent for dry setting
- Non-flaking
- Thermal and UV protector

FOR BEST RESULTS: Hold about 6 to 8 inches away. Spray as much as desired; simply add more, or layer for extra firmness.

GO365 Hairspray™ 10oz - \$ 28.00

3 IN 1 – SOFT, MEDIUM OR STRONG HOLD

3 Hairsprays all in one? Impossible... or maybe not! Just turn the nozzle to the desired strength. It's as easy as 1-2-3! Simplify your life with a soft, medium or strong hold hairspray all in one can!

- Soft, medium and strong holds all in one can
- Adjustable strength levels; just turn the nozzle
- Non-flaking
- Thermal and UV protector

FOR BEST RESULTS: Turn the nozzle to desired strength setting. Hold 6 to 8 inches away. Need more? Need less? Just turn the nozzle!

SESSION-MAX™ Spray 10oz - \$ 27.00

EXTRA STRONG

Freeze-frame! Session stylists around the world have come to rely on SESSION-MAX. It's ultimate hold compliments their creations that grace fashion glossies, runways and glitzy red carpet events. You'll immediately understand why hair professionals' first and only choice is SESSION-MAX! Blown away? Not...

- Extra-strong, maximum hold
- Holds the final look
- Non-flaking
- Thermal and UV protector

FOR BEST RESULTS: Hold about 6 to 8 inches away. Spray as much as desired; more spray, more hold!
