

Argan Oil 3.3oz - \$ 40.00

Silky...Smooth...Healthy. U Argan Oil will give your hair that lasting moisture and instant shine that you thought wasn't possible. As a natural thermal protector, this oil is amazing for flat ironing, curling, and blow drying. Without leaving any buildup and reducing your drying time... What more do you need?

- Creates soft, weightless shine
- Seals and repairs the cuticle
- Natural UV and thermal protector
- Reduces blow-drying time
- Extends color life
- Free of Parabens and Sodium Chloride
- Pure Argan Oil

Apply 1 to 3 drops to damp hair from roots to ends and style as usual. Feel free to use U Argan OIL every day, even in fine hair.

LAZER Straight™ 8oz - \$ 25.00

RELAXING FLUID

Defeat and control curls, tangles and frizz. LAZER Straight will straighten even the most difficult hair and protect it from blow drying and flat ironing. Dare to take on humidity with your LAZER Straight hair.

- Straightens the most difficult hair and controls frizz
- Anti-humectant to fight humidity
- Thermal protector

FOR BEST RESULTS: After using your favorite UNITE shampoo and conditioning system, blot excess water, rub a small amount between your palms and work evenly through hair. Brush or use a wide tooth comb to evenly dispense. Try blow drying to increase performance. Relax and style how you wish.

"BOING"™ Curling 8oz - \$ 25.00

CREAM

Soft, beautiful curls. That's what you get when you use "BOING". Tight curls, loose curls, big curls, small curls. They're always soft and bouncy, with just the right amount of hold.

- Defines curls with the right amount of hold
- Humectant holds moisture for curl retention
- Diffuse or air dry

FOR BEST RESULTS: After using your favorite UNITE shampoo and conditioning system, apply "BOING" to wet hair from roots to ends. Amount can vary with hair thickness. Style by diffusing or drying naturally.

CREAMY Paste™ 2oz - \$ 24.00

THICKENING

Shape. Create. Originate. Mold CREAMY any way you like. Gain lift, add thickness, achieve separation, create definition, get slick or define curls. The more you use the more it holds. It's your choice.

- Creates thickness in hair
- Achieves definition and separation
- Thermal protector

FOR BEST RESULTS: Rub a small amount in your palms. Apply to wet hair. You can always add more. To thicken hair, work through from mid-lengths to ends and blow dry.

EXPANDA™ Volume 8oz - \$ 26.00

ROOT ENERGIZER

Expand volume and dimension. Maximize styling control by dramatically boosting the lift and support directly from the root. Superb for all hair types; even the finest hair is transformed from flat to full.

- Gives lift and support directly at the roots
- Extreme hold

FOR BEST RESULTS: Shake well and hold 5 to 6 inches from head. Spray onto damp hair directly into the root area moving 1 to 2 inches up to the hair shaft for more overall texture and even more volume.

BOOSTA™ Spray 8oz - \$ 25.00

VOLUMIZING

Indispensable when you heat style or blow dry. BOOSTA builds body, giving your hair lift and weightless volume. It enhances texture while delivering a healthy sheen finish. How you ever got by before is baffling.

- Builds body and weightless volume
- Touchable, flexible hold
- UV protector

FOR BEST RESULTS: After using your favorite UNITE shampoo and conditioning system, spray thoroughly on damp hair from about 6 to 8 inches away. Try heat styling to increase the effect and volume.

ELEVATE Mousse™ 6oz - \$ 25.00

VOLUME FOAM

Not your 80's, crunchy mousse, but an innovative, weightless foam that will ELEVATE your hair for a full bodied, frizz-free style that is soft, shiny and moveable. With argan oil, added thermal and UV protection and an incredible memory, this mousse will keep your hair healthy and lifted with lasting shine, even on your longest days.

- Creates volume, hold and shine
- Mousse memory re-activates styling hold
- Infused with argan oil
- Thermal and UV protector

FOR BEST RESULTS: Shake well. Dispense and apply from roots to ends. Blow dry to increase volume. Layer more foam to increase hold and texture.

BLOW&SET™ Lotion 8oz - \$ 25.00

SCULPTING

Lift, curl, sculpt, smooth, create shape. WOW! Is there anything that this product can't do? For the ultimate in styling and setting, there is only one product you'll ever need. BLOW&SET, the most versatile product you will ever use to style your hair. Just think shine and volume!

- The ultimate in styling and setting
- Promotes shine and volume
- Heat-activated
- Thermal protector

FOR BEST RESULTS: After using your favorite UNITE shampoo and conditioning system, blot excess water, apply BLOW&SET generously from roots to ends. Don't be shy! Remember it's versatile. Continue by blow drying or setting for your desired result.

CONUNDRUM Paste™ 2oz - \$ 24.00

STYLING CREAM

Wax, paste or cream? Decisions, decisions. CONUNDRUM Paste combines the benefits of all three to create any look from messy to slick, and everything in between, and it lasts all day! You will never have to choose again!

- Combines the benefits of waxes, pastes and creams
- Creates any look from messy to sleek with medium, flexible hold
- Thermal protector

FOR BEST RESULTS: Rub a small amount of CONUNDRUM Paste between your palms and work through damp or dry hair.

BEACH Day™ 8oz - \$ 25.00

TEXTURIZING

Wanting those beachy, full locks without trying too hard? BEACH Day will give you that feeling in minutes. Full, tousled and very sexy. A hybrid of styling and finishing in one... it's effortless!

- Natural sea salt creates beach-like texture
- Humectants aid in wave and curl retention

FOR BEST RESULTS: Mist 6 to 8 inches away into damp or dry hair. Scrunch with hands. Air-dry or diffuse. Spray on roots for an added lift.

SMOOTH&SHINE™ 3.5oz - \$ 24.00

STYLING CREAM

Create a smooth, sleek look and a high gloss finish all while enhancing the health of your hair with this nutrient rich smoothing cream with argan oil.

- Creates a smooth, sleek look with a high-gloss shine
- Infused with argan oil
- Anti-humectant and extreme thermal protector

FOR BEST RESULTS: Work evenly through damp or dry hair from mid-shaft to ends and style as usual.
